You can withdraw at any time during the school year. The only way to do this is to inform our company by e-mail. In the case that we do not receive a cancellation, the fact that your child does not pick up the lunches ordered does not waive the fee. Informing the school secretary or your child's teacher is not a method to withdraw from meal services. The School Office is not obligatory to inform Canteen Operator about cancellation of lunches.

Absence from school:

Payment for meals can be reduced in case your child is absent from school. Absence must be reported no later than 8:30am on the day of the absence. Informing the School Office or a teacher is insufficient for the due amount to be reduced.
